

MEETING SUMMARIES

Effective September 21, 2006 the City of Flagstaff will begin posting action summaries for all of its public bodies on the City's website. When the City Council or one of Flagstaff's boards or commissions conducts a meeting after September 21, the action summary for that meeting will become available on the website within three working days after the date of the meeting.

Until that time, you will see this message.

Thank you for your patience.
